

Add a loop of cotton tape, ribbon or a fabric loop to the one corner.

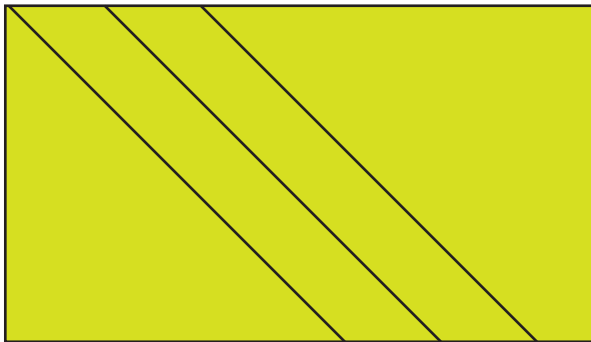

Stitch in place.

Take one front and one back and place them lining sides together.

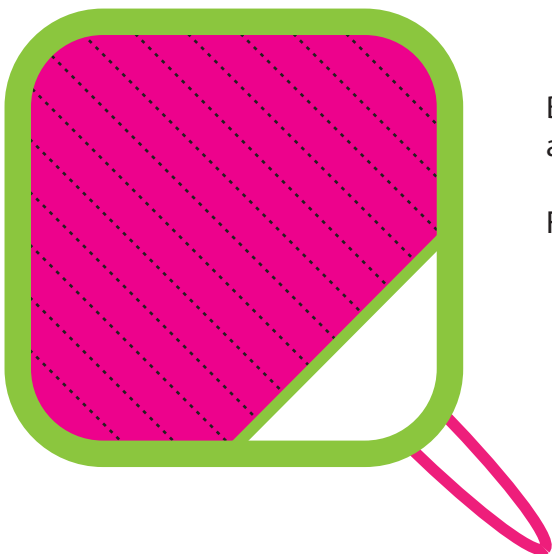

Pin in place, Stitch around the outer edges with a longer stitch 1/8 inch from the outer edges.

Do the same to the other pieces.

Cut some 2 1/2 inch fabric bias strips and join them together so it is long enough to go around your oven mitts.

Fold them in half down the length right side out and press the fold.

Bind the outer edges of your oven mitts on the front with a quarter inch seam.

Fold it over to the back and stitch in place to finish.
